

# Power Arms

PA1300 (310mm), PA1500 (510mm), PA1800 (810mm)

Noga unveils its state of the art Hybrid articulated arms. They are stronger, bigger, longer and outperform all other three-jointed articulating arms in the industry.

They can hold heavy components and other production accessories that require extend articulation mounts.

New design combination of mechanical and hydraulic locking system, allowing to hold up to 25Kg.

Central locking system with spring loaded bearings.

Black finish.
